

# Keeping us safe in

September 2020

## In compliance with Cantonal restrictions to control the spread of Covid-19

- Tables and chairs for use by the children will be wiped down with disinfectant immediately prior to each lesson – idem door handles – window(s) will be left open
- Seating at tables will be marked with a 1.5 metre distance (siblings sit together)
- Teachers will wear masks and single-use plastic gloves during the lessons
- **A register of attendance must be kept & stored on separate sheets for each lesson**
- Children are asked to bring their own colouring pencils, which must not be shared
- Children will take home all their own sheets of paper / craft activities
- Toilet facilities available when required – **after use** and before the end of the service, teachers will do a single disinfectant wipe-down of the communal toilet facilities
- When re-entering church, children will be monitored by the 2 teachers on duty
- Children should then go directly to their family seating area
- The toddlers' area at the back of church is NOT in use at present

Here is our lesson plan – when the weather is good, we will make use of the long terrace area outside the kitchen – to breathe in plenty of fresh air 😊
