

Keeping us safe in

January 2021

Cantonal Restrictions to prevent the spread of Covid-19 now limits attendance at St Edward's Church to a maximum of 30 worshippers.

Sadly this means we have had to put a Booking System in place. The maximum attendance of 30 does not include children under the age of 12. However, we felt it right to suspend Sunday School lessons until this restriction is lifted. In the meantime our younger disciples are most welcome at the 10:30 Sunday Service and will be leading worship whenever there is a Family Service 😊

Hopefully we will be able to return to our regular pattern of lessons before too long. And then in compliance with Cantonal restrictions to control the spread of Covid-19:

- Tables and chairs for use by the children will be wiped down with disinfectant immediately prior to each lesson – idem door handles – widow(s) will be left open
- Seating at tables will be marked with a 1.5 metre distance (siblings sit together)
- Teachers will wear masks and single-use plastic gloves during the lessons
- **A register of attendance must be kept & stored on separate sheets for each lesson**
- Children are asked to bring their own colouring pencils, which must not be shared
- Children will take home all their own sheets of paper / craft activities
- Toilet facilities available when required – **after use** and before the end of the service, teachers will do a single disinfectant wipe-down of the communal toilet facilities

- **When re-entering church, children will be monitored by the 2 teachers on duty**
- **Children should then go directly to their family seating area**
- **The toddlers' area at the back of church is NOT in use at present**
